INTRODUCTION

- In 2006, Mr. Abdul Sattar Nadeem founded the Al Mubashir Mechanical Contracting L.L.C in Umm-Al-Quwain as a General Contracting Company. For the first four years, the company specialized in the Central Air Conditioning cooling systems installation and Maintenance. With great emphasis quality of works and delivery commitment, Al Mubashir grew and gained recognition as a leading air conditioning and Mechanical Contracting Company in UAE by 2011. we started receiving inquiries from the leading Residential and Commercial Complexes. We began to approach different segments and quickly gained an excellent reputation in the HVAC, Fire Fighting, Electrical, Civil and Mechanical sector and Al Mubashir as we know it today was born.

MISSION

- “we are a reliable partner, offering top quality products and services to all our clients. The no-nonsense and entrepreneurial character of the founders is one of the main cornerstones of Al Mubashir. We support our clients using our knowledge and experience by realizing the best possible solutions to their needs; either fully customized or with varying degrees of standardization. Like our clients, we are continuously active on a global scale to assure that we can always be of service. We are also constantly searching for sustainable innovations as we aim for the best and very latest solutions in collaboration with our clients. Al Mubashir is critically aware that a company’s greatest asset is its employees – it is they who represent the added value of our business. Our goal is to continue to expand in the field of Air Conditioning cooling systems installation and Maintenance, HVAC, Fire Fighting, Electrical and Mechanical in a future-proof way.”

A close-up photograph of two people in business attire shaking hands. The person on the left is wearing a dark blue suit jacket, and the person on the right is wearing a grey suit jacket. The background is a bright, out-of-focus office environment. A black rectangular box with rounded corners is centered over the handshake, containing white text. Light blue circuit-like lines with circular nodes extend from the sides of the black box.
